Are your Leaders as good as you want them to be?

Our 20:20 Leadership Coaching Programme is for when you want to see extraordinary results in your people and business. You want better leads and you want your business to do exceptionally well.

With our 20:20 Leadership Coaching Programme you can expect:

- + **1-2-1 Coaching**
- + **Personality Profiling**
- + **Practical Coaching Resource Pack**

We'll also offer practical solutions, probing questions and new ways of solving business challenges.

Our coaching solutions are delivered by qualified and talented coaches and in conjunction with your Leadership Development strategy.

“From outplacement to executive coaching Creative Leadership approach everything in a very positive and professional "can-do" manner. Never a hidden agenda or inconsistency in behaviour, they have strong integrity and genuinely care to the core.”
