Making Changes to Your Team?

Making Changes to your team? In changing times our Clients come to us for help with Redundancy and Outplacement. They trust us to deliver supportive, tailored and flexible services that deliver real results for those affected by the threat of job loss.

Working in Partnership with you we deliver:

- + **Outplacement Programmes**
- + **Career Workshops**
- + **Personality Profiling**
- + **Interview Coaching**
- + **Soft Skills training**
- + **Consultation Support**
- + **CV Reviews**
- + **1-2-1 Career Coaching**
- + **Job-Searching help**

You want to do the right thing for those affected by redundancy and help them move on. You want a flexible and cost-efficient solution to enable you to sensitively manage those at risk. You probably also want some help and guidance to support you through the process. Get in touch and we'll help you take the next steps.

"Creative Leadership came highly recommended to me to help me update my C.V. Having met with Michelle, I found her very easy to engage with, positive and extremely professional. With my updated C.V. and her network of contacts, I was delighted to secure a desirable job offer very quickly!"

Alison
Outplacement Client 2012
